Agriculture - Agricultural Department - Organisational and field staff - Recommendation of the Retrenchment and Reorganisation Committee - Review by the Director of Agricultural - Orders Passed.

Government of Madras.
Abstract.

Agriculture - Agricultural Department - Organisational and field staff - Recommendation of the Retrenchment and Reorganisation Committee - Review by the Director of Agriculture Orders Passed.

Food and Agriculture Department.

G.O.Ms.No.1322 Dated 3-11-49

Read the following:

G.O.Ms.No.4956 Development, dated 5-10-48.
From the Director of Agriculture No.K-2-1004,48 dated 5-11-1949 and 16-3-1949.

O R D E R :

In its review of the work relating to the Agricultural Department, the Retrenchment and Reorganization Committee inter alia observed that in view of the large staff employed and the importance of the work to be done and the development necessary in various directions, a survey should be done by some competent person or persons and advice taken as to the organization teaching and field work in the Department. The Government in G.O.No.4956 Dev. dated 5-10-1948, while agreeing generally with the above recommendation of the Retrenchment and Reorganization Committee, considered that a survey of the work of the organisational and field staff in the Agricultural Department by an outside agency was not necessary and directed that the Director ~~Agriculture~~ if Agriculture should re-review the structure and strength of the organizational and field staff in his department including the staff at the headquarters and submit a detailed report to Government about the work turned out by them together with his recommendations as to the lines on which the staff could be reorganised in order to ensure maximum efficiency and effect economies.

2. In pursuance of the above orders, the Director of Agriculture has submitted a report reviewing the work of the organizational and field staff in his Department. He has recommended that the existing staff at the Headquarters including the Engineering Branch with the Joint Director of Agriculture should be retained, that the organisational and field staff in the districts should be continued as at present existing for the efficient working of the Department and that the Account Staff including the Senior Accounts Officer should continue as long as the State Trading Schmemes are worked by his Department. He has further suggested that the post of Deputy Director of Agriculture (Engineering) which is now held in abeyance should be revived. The Government have carefully examined the recommendations of the Director of Agriculture. The generally agree with his recommendations and consider that in the circumstances reported by him the continuance of the post of Joint Director of Agriculture is necessary and that the question regarding the continuance of the Senior Accounts Officer should however be reviewed the State Trading Schemes are wound up,

His Excellency the Governor of Madras Accordingly directs:

(i) that the present structure of the Organisational and field staff in the Agricultural Dep Department does not require any changes;

(ii) that the present strength of the organisational and field staff inclusive of the post of Joint Director of Agriculture be continued; and

(iii) that the question of the continuance of the Senior Accounts Officer be reviewed

Cont.

when the State Trading Schemes are wound up.

3. Seperate orders will issue regarding the question of revival of the post of Headquarters Deputy Director of Agriculture (Engineering)

(By order of His Excellency the Governor)
